EDUCATION

Canara Engineering College <i>Bachelor of Engineering in Computer Science (9.02 CGPA)</i>	Mangalore, Karnataka 2023 – Present
St. Aloysius PU College <i>Pre-University (93.6%)</i>	Mangalore, Karnataka 2021 – 2023
Amrita Vidyalayam <i>High School (86%)</i>	Mangalore, Karnataka 2020 – 2021

TECHNICAL SKILLS

Frontend: React.js, JavaScript, HTML5, CSS3, Tailwind CSS
Backend: REST APIs, Node.js, Express.js
Programming Languages: Java, Python, C, SQL
Databases: MySQL, MongoDB
Tools & Platforms: Git, GitHub, VS Code, Postman, Vercel, Eclipse, Jupyter Notebook

PROJECTS

- AI Resume Builder** | *React.js • Tailwind CSS • React Router* Ongoing
- Developing a responsive resume builder with 20+ reusable UI components, supporting authentication, live preview, PDF export, and customizable templates.
 - Implementing 10+ resume sections, dynamic routing, CRUD operations, image upload, and AI-assisted content generation to streamline resume creation.
 - Optimizing responsive design and application performance to ensure a consistent user experience across desktop and mobile devices.
- Task Manager Web Application** | *React.js • Node.js • Express.js • MongoDB • Postman* 2025
- Developed a full-stack task management application using the MERN stack, implementing 5 RESTful CRUD API endpoints with Express.js and MongoDB.
 - Built a responsive React.js frontend for creating, viewing, updating, and deleting tasks, integrating the backend APIs for seamless data management.
 - Tested APIs using Postman, deployed the frontend and backend on Vercel, and managed source code using Git/GitHub.
- ClickDefender: Real-Time Phishing Detection Browser Plug-in** | *JavaScript • HTML • CSS* 2025
- Developed a browser extension capable of analyzing 100+ website URLs using heuristic-based phishing detection techniques.
 - Implemented an explainable risk-scoring interface by evaluating 5+ security indicators, including HTTPS status and URL characteristics, to improve user awareness.
 - Designed a lightweight, responsive browser UI that provides real-time security feedback and enables users to classify suspicious websites.

ACHIEVEMENTS AND EXPERIENCE

- **Class Representative (CR):** Facilitated communication between students and faculty, strengthening leadership and organizational skills.
- **Hackotsava 2025:** Ranked among Top 8 teams out of 40+ participants in a national-level hackathon.
- **Error Debug Competition:** Reached final round by demonstrating strong problem-solving and debugging skills.

COURSES AND CERTIFICATES

- **UI/UX Certification (Great Learning):** Learned design principles for creating intuitive user interfaces.
- **Python Certification (IIT Bombay):** Strengthened programming fundamentals and problem-solving skills.
- **C Programming Certification (IIT Bombay):** Built strong foundation in procedural programming concepts.
